Ferry St. Property Owner

RE: Sidewalk Reconstruction Project

The highway department will be replacing the sidewalk in front of sections of Ferry St. on the North side from the fire station to the intersection of Reynolds Ave. We will also be replacing a section of sidewalk on the South side from the intersection with Houle Ave. to the area in front of 10 Ferry St.

The work is anticipated to be completed by the end of June. If you have any questions or concerns please do not hesitate to contact me. I would be glad to meet with property owners to discuss the work that we will be doing.
